Such notice must be given prior to the start of the next term. Failure to comply with the above clause will automatically make parents liable for three months' school fees. This is due to the fact that teacher appointments, student enrolments and general planning are all costly arrangements for which sudden withdrawal of pupils is disruptive.

Please note that the above points are subject to change from year to year due to unforeseen adjustments.

I / We understand that should the required fees not be paid by the due date, the Administrator may be forced to withhold or terminate the registration of my child/children at the school. We accept that I/we are jointly and severally liable for the outstanding school fees.
